UNIVERSITY AND DEPARTMENTAL COMMITTEES

PGSP-Stanford Psy.D. Consortium

Student Council Representative, Co-chair of Social Events Committee, 2009 –2010

CLINICAL ACTIVITIES

Kings County Hospital Forensic Psychiatry, Queens/Brooklyn, NY

Psychology Intern

January 2008 – May 2008

- Observed and interviewed criminal defendants, and administered psychological measures to defendants to test for malingering, intelligence, cognitive functioning, and memory.
- Wrote competency evaluations for criminal defendants.
- Observed expert witness testimony in Court.

National AIDS Fund AmeriCorps and Our Place DC, Washington, DC

HIV/AIDS Case Manager & Educator

August 2006 – July 2007

- Facilitated HIV/AIDS prevention education courses for incarcerated women jails, halfway houses, and federal prisons.
- Organized community HIV testing and outreach events with the DC Department of Health.
- Wrote HIV-related articles for the organization's newsletter.
- Organized the Third Annual *Fashionably Aware* fashion show for HIV/AIDS awareness, which raised \$8,000 for the Washington AIDS Partnership.
- Enrolled clients in housing and drug treatment programs.

Walnut Avenue Women's Center, Santa Cruz, CA

Certified Domestic Violence (DV) Advocate

March 2005 – August 2005

- Lead support groups for female survivors of domestic violence.
- Conducted individual support sessions with women dealing with a domestic violence relationship.
- Served as an advocate for women in Court.
- Assisted callers on the 24-hour domestic violence emergency hotline.

Inside Out Writing Project, Santa Cruz, CA

Workshop Facilitator Intern

December 2004 – June 2005

- Produced and facilitated creative workshops for women in the Santa Cruz County jail.

RESEARCH ACTIVITIES

The Substance Abuse and Anxiety Program, VA Palo Alto, Menlo Park, CA

Research Assistant for Dr. Marcel O. Bonn-Miller

October 2009 – Present

- Administer the Structured Clinical Interview for DSM Disorders (SCID) and Clinician-Administered PTSD Scale (CAPS) for study on PTSD and Marijuana use with veterans
- Create and maintain Study Database
- Conduct literature reviews and write abstracts for poster presentations and publication

New York State Psychiatric Institute and New York State Office of Mental Health

Assistant Research Scientist

August 2008 – July 2009

- Worked with Assertive Community Treatment (ACT) teams throughout New York State to implement and evaluate a new model of ACT.
- Ran focus groups with clinicians and consumers, collected data and performed qualitative coding on the current system and ACT model.
- Performed and wrote reports on fidelity assessments of ACT teams.
- Collaborated with the project team to develop a training package with materials for consumers and staff that helped with the dissemination of the step down program.
- Conducted phone interviews and collected evaluation data from ACT teams nationwide.
- Assisted with tasks related to the program, such as the scheduling of meetings, entering of data into the study database, and sending of correspondence.

Teachers College, Columbia University, New York, NY

Graduate Research Assistant for Dr. George Bonanno

Sept. 2007 – Sept. 2008

- Recruited subjects, coded facial expressions, and ran subject experiments aimed at understanding differences between complicated grief, recovery, and resilience and the variables predicting these patterns after bereavement of a spouse.

University of California, Santa Cruz, Santa Cruz, CA

Advanced Research Assistant for Dr. Avril Thorne

January 2006 – June 2006

- Transcribed conversations between same-sex adolescent friends to investigate how they told stories about romantic relationships during casual conversations.
- Paid specific attention to linguistic detail, overlapping speech, and paralinguistic devices.
